MONTHLY CATALOG • TITLES IN STORES OCTOBER 2025

An illustration of Sam and Dean Winchester from the TV show Supernatural. They are shown from the chest up, wearing their signature black leather jackets. Sam is on the left, looking slightly to the right, and Dean is on the right, looking slightly to the left. They are holding their signature weapons: a silver cross and a silver dagger. The background is a fiery, explosive scene with orange and yellow flames. Below them is a black classic car, likely a 1967 Ford Mustang, driving on a road at night with its headlights on. The overall tone is dramatic and action-oriented.

Get ready to hit the road again with Dean and Sam as they prowl the highways and byways of small-town America in search of demonic wrongdoing to put right!

Set between the foundational first and second seasons of the landmark television series, this brand-new title from acclaimed author GREG PAK (*Darth Vader*, *Lilo & Stitch*) and preternaturally gifted artist EDER MESSIAS (*Sam Wilson: Captain America*) brings readers back to where the dark magic first began — and reveals a disturbing new threat that the bickering brothers will have to face before they can return to hunting down the demon who killed their mother.

In this first issue, the monster hunters must uncover the entity responsible for a series of mysterious fires in a decaying rust belt town — attacks that begin with a Windler Industries factory burning down, and then escalate to several Windler employees themselves going up in flames. But finding the malevolent force behind the otherworldly arsons may not be as straightforward as it might seem — especially once the suspiciously well-prepared CEO Steff Windler gets personally involved!

Featuring atmospherically arresting covers from CLAYTON CRAIN, DAVID COUSENS, and EDER MESSIAS, each issue of *Supernatural* also includes a special PHOTO cover showcasing the beloved cast of the hit show!

The Queen of the Forbidden Mountain returns for an all-new tale of villainy crafted by writer PAULINA GANUCHEAU and artist THEO STULTZ!

Set in the time just after the vengeful Maleficent leveled her curse against Princess Aurora, this hypnotic new adventure follows the power-hungry regent as she sets out to build up her arsenal of magical energy to the point that she will be invulnerable to any force that would dare challenge her reign.

When her goblin minions return from a raid against a neighboring kingdom bearing a mysterious glowing grimoire, the Queen senses an ancient and otherworldly presence between its covers — a force that could deliver to her a new wellspring of nearly unlimited power. To take possession of it, however, she must leave the safety of her kingdom and venture into an unfamiliar and dangerous realm — a place from which few humans ever return!

Featuring darkly beautiful covers by PAULINA GANUCHEAU, ELLERY SANTOS, ROBERT QUINN, and THEO STULTZ, *Disney Villains: Maleficent Vol. 2 #1* adds a new layer of complexity to one of Disney's most compellingly sinister antagonists!

In the post-apocalyptic future that follows Judgment Day, the shattered remnants of humanity must make use of every tool they can in their existential battle against the machines — and that includes the deadliest weapons that Skynet sends to annihilate them.

For one member of the Resistance, this means trusting his life to a reprogrammed Terminator. Trapped behind enemy lines, the soldier and his repurposed engine of destruction must find a way to both survive and complete their mission — an undertaking with such a low probability of success that it could reboot the Terminator back to its default settings!

Acclaimed Terminator and ThunderCats author DECLAN SHALVEY is joined by co-writer RORY MCCONVILLE and returning artist LORENZO RE for a brand-new chapter in his chilling saga of the War Against the Machines with *The Terminator: Metal* #1 — featuring brutally beautiful covers from SHALVEY, BOB LAYTON, SEBASTIAN PIRIZ, and IVAN TAO!

The ravening undead return to resume their feasting upon the living in the newest blood-curdling chapter of Dynamite’s all-star supergroup adventures in the dystopic future!

Outside the crazily fortified gates of Sunset City, the zombie hordes search ceaselessly for their prey — and that means women, because the gender-targeting Deadman virus is strictly a boys’ club.

Inside the walls, rival factions jockey for power under the iron thumb of Purgatori and her enforcers, the Furies — including Vampirella, who’s stuck on Earth under Drakulonian quarantine to keep the male plague at bay.

But it turns out that Vampi’s not the only alien in the skies — and when someone from a certain red planet arrives on the scene, everyone’s plans will get scrambled like a Deadman on a busy highway!

The newly infected creative team of writer FRED VAN LENTE and artist MARCO FINNEGAN unleash all of your favorite *femmes fatales* in the epic sci-fi *grand guignol* that is *Die!namite: Blood Red* #1 — featuring skull-cracking covers from EJ SU, GODTAIL, DAVID COUSENS, and WILL ROBSON!

What happens when the Clown Princess of Crime gets bored? Shenanigans, hijinks, grievous bodily harm... the possibilities are endless! Now add in a certain macabre-minded TV host who seems to attract trouble like crypts attract vampires, and the stage is set for the greatest team-up since Frankenstein met his Bride!

With her beloved show on the chopping block following a corporate takeover, Elvira needs to come up with a plan to get things back in the black — and her new friend Harley Quinn has an idea that's just crazy enough to work! Together, they're going to throw the greatest Halloween party Brooklyn has ever seen — whether the borough likes it or not!

Written by AMANDA CONNER and JIMMY PALMIOTTI — the world-famous tag-team of all things Harley Quinn — this crossover event for the ages from Dynamite and DC Comics also showcases Amanda's fan-favorite artistic chops, with each issue featuring two (count 'em, *two*) Conner covers. And that's not all (certainly not!) — she's also joining interior artist (and Elvira favorite) JUAN SAMU to provide selected story pages for the series!

But wait, there's more! This premier issue also includes darkly captivating covers from JOSEPH MICHAEL LINSNER, CHAD HARDIN, BEN CALDWELL, and best-selling *Mark Spears Monsters* creator MARK SPEARS!

The year is 1274, and Demona and Angelika have settled in Japan, where they are helping a local clan to raise a new generation of Gargoyles — including a precocious young rookling named Katana. Demona hasn’t given up her quest to restore Angelika’s youth, but her now-widowed adopted daughter is more concerned with keeping her mother from being consumed by her bitterness in the years to come — a goal that may slip away forever when the clan is attacked by a new force of Gargoyle hunters!

With Hawk Haven in ruins and Stargazer, Copper Kidd, and Osprey lost in the wreckage, the remnants of the SilverHawks have no time to mourn — the Remnant is here, poised to destroy the entire Limbo Galaxy, and the team must fight alongside Mon*Star and his mob to have any hope of stopping it.

But even if they manage to succeed, Stargazer’s nemesis isn’t going to let bygones be bygones — and the last trick he has up his sleeve could end the SilverHawks for good!

Famed four-color futurists ED BRISSON and GEORGE KAMBADAIS go all in on their final issue of *SilverHawks* — featuring pot-sweetening covers from JAE LEE & JUNE CHUNG, CAT STAGGS, ALESSANDRO RANALDI, DREW MOSS, GEORGE KAMBADAIS, MANIX, and DAVID COUSENS!

Is Maggie Sutherland hallucinating being Red Sonja, or is Red Sonja suffering from a delusion that she is Maggie Sutherland? In either case, the She-Devil with a Sword is unprepared for the visceral experience of her first barbarian bloodletting when her mercenary troop clashes with a Pict war party. The resulting panic attack prompts an intervention from the proto-deity known as The Light — but what Maggie learns about Sonja's past and her own future isn't exactly reassuring!

The multiple-personality team of CHRISTOPHER PRIEST and ALESSANDRO MIRACOLO dig into the all-new She-Devil's psyche in *Sonja Reborn* #3 — aided by dramatically diagnostic covers from STJEPAN SEJIC, STUART SAYGER, CHAD HARDIN, GREG LAND, and cosplay by ANI-MIA!
