DUNGEON CRAWLERS!

As warring global factions struggle for control of Latveria, an attack by Red Hulk traps them all together in Doom's most secret, most forbidden dungeons. Desperately searching for a path to the surface, they discover horrors Doom never intended to be found: The Eye of Khonshu. The Skull-Shaped Herb. The Hammer of Treachery. And a mutant creature so dangerous, even Charles Xavier knew it could never be set free. These forbidden discoveries breed horrors that poison alliances, pollute bodies and souls and threaten to release powers that even DOOM knew must always be hidden.

- It's back before everything changed, and I'm still in grad school – just a kid, really. My name is Susan Storm, and I've just become the Invisible Girl.
- Our first encounter was with the Mole Man – he was the first time we found it necessary to use our powers, to truly become the Fantastic Four. Reed prayed it would be the last.
- But his prayers weren't the kind that got answered.
- What happened next wasn't what I thought would happen – it wasn't what any of us thought would happen. I want you to know that I tried. I really did. I didn't mean for things to end up the way they turned out. But there are some mistakes you can't take back. And there are some wounds that don't kill you, even though they should...

PUNISHER & FURY MAX BY GARTH ENNIS OMNIBUS HC DAVE JOHNSON COVER

WRITTEN BY GARTH ENNIS

PENCILED BY GORAN PARLOV & JACEN BURROWS

COVERS BY DAVE JOHNSON & JACEN BURROWS

Legendary PUNISHER scribe Garth Ennis reveals the secret, bloody history of Frank Castle and Nick Fury!

Before the Punisher was born in Vietnam, Frank Castle had already become a dark legend of the battlefield. Now learn the truth about Castle's first command – and his first kill. It's the answer to the question: What made the Punisher? Colonel Nick Fury certainly had an impact along the way. As an old man, Nick sits alone in a dank hotel room, coughing his confessions into a tape recorder, laying out a legacy of carnage stretching back to World War II – including his encounters with a young Marine sniper named Frank Castle. You won't believe the horrors Frank and Nick went through in Vietnam – and how they survived to tell the tale! Nick's constant lust for combat has blinded him to all other concerns, but the end is coming. The debt is long past due. And Fury's true legacy will soon be written in blood for all to see. Plus: a modern-day tale of the Punisher, rooted in seeds planted decades ago in Moscow and Afghanistan! That's bad news for Rom, who is still coming to terms with Brandy Clark's transformation into the golden Spaceknight Starfire! But it might be even worse for the super hero known as Torpedo! Tensions mount further when a crew of Skrulls arrive with their own vendetta against the Dire Wraiths! It's a good thing Rom has allies in his noble fight — including Ant-Man, Alpha Flight and the New Mutants! But when the Spaceknight meets the Incredible Hulk at last, what impact will Rom's Neutralizer have on the rampaging jade giant? Collecting ROM (1979) #48-60 and ANNUAL (1982) #3 and INCREDIBLE HULK (1968) #296.

ULTIMATE SPIDER-MAN EPIC COLLECTION: HUNTED TPB**Volume #2 in the Ultimate Spider-Man Epic Collections**

WRITTEN BY BRIAN MICHAEL BENDIS

PENCILED BY MARK BAGLEY

COVER BY MARK BAGLEY

The epic rematch between the young Spider-Man and his archnemesis, the Green Goblin!

Peter Parker has a secret. Bitten by a radioactive spider, he gained the powers of a human arachnid: super-strength, adhesion to walls and incredible agility. Inspired by his uncle's tragic death, Peter became Spider-Man, New York City's hometown super hero. Only two people know his double identity: One is his best friend, confidante and girlfriend Mary Jane Watson. The other is ruthless businessman Norman Osborn, otherwise known as the Green Goblin! In their first battle, Norman nearly killed Peter before his own apparent death. But now the Goblin has returned, more powerful than ever before. And Osborn will use his knowledge of Peter's double identity to control the teenager — threatening the lives of Mary Jane and his beloved Aunt May if Peter refuses to obey! Also featuring the dramatic re-introductions of two classic foes: Doctor Octopus and Kraven the Hunter! Collecting **ULTIMATE SPIDER-MAN** (2000) #14-27.
