X-MEN: TALES FROM THE AGE OF APOCALYPSE #1

**WRITTEN BY SCOTT LOBDELL, JOHN FRANCIS MOORE, LARRY HAMA & FABIAN NICIEZA
PENCILED BY JOE MADUREIRA, STEVE EPTING, ADAM KUBERT & ADAM KUBERT
COVER BY PACO MEDINA • VARIANT COVER BY TBA**

In 1995, Marvel shocked the comics-reading world, canceling all its blockbuster X-titles and replacing them with new series in the transformed reality of the Age of Apocalypse! These tales, by some of the era's leading creators, introduced fans to radically new versions of the heroes they loved – fighting for survival in a nightmarish dystopia where Charles Xavier is long dead! Professor X was killed twenty years in the past during a freak time-travel accident, and now the Darwinian conqueror Apocalypse rules with an iron fist – ruthlessly enforcing his dictum that only the strong shall survive! In the long shadow of En Sabah Nur, hidden among a downtrodden humankind, are a group of ragtag freedom fighters led by Xavier's oldest friend: Magneto! They're amazing, they're astonishing – but who are the X-Men?! Plus: What has become of iconic mutants Cyclops, Havok and Wolverine in this war-torn world? *Collecting ASTONISHING X-MEN (1995) #1, FACTOR X #1, WEAPON X (1995) #1 and AMAZING X-MEN (1995) #1.*

MARVEL

1776

A mysterious force threatens to erase the founding of the United States, forcing Captain America and select Marvel heroes to travel back in time.

With an awesome assembly the likes of which The Marvel Universe nor Revolutionary America have ever seen, it falls to the heroes of today and yesterday to unite to restore history at the dawn of the American Revolution!

As they arrive in colonial America, they join forces with historical figures such as George Washington, Benjamin Franklin and Thomas Jefferson to unravel the origins of this threat.

Together, the team navigates the chaos of the era, blending superhuman abilities with revolutionary ingenuity.

Only by ensuring pivotal moments remain intact can these heroes hope to preserve the founding of a nation – and safeguard both America's legacy and their own existence forever.

As we prepare to celebrate America's 250th Birthday, let us salute all the magnificent champions who embody the very essence of freedom and justice! Can they save the past without destroying the future, or will they - and the nation - be swept away by the tides of the timestream? One thing is certain: With courage in their hearts and stars in their eyes, these legendary warriors will stop at nothing to preserve the legacy of the land they love!

WRITTEN BY GAIL SIMONE

PENCILED BY LUCIANO VECCHIO & DAVID MARQUEZ

COVER BY ROGÊ ANTÔNIO

Acclaimed scribe Gail Simone continues her uncanny take on the X-Men!

When a brilliant but exploitative Hollywood director makes a surprise-hit horror film featuring a serial-killing mutant girl, there are protests at theaters around the country – and a rise in anti-mutant violence in those same communities.
